FINANCE/ADMINISTRATION MEMORANDUM

2011-21

TO: Honorable Mayor and Members of the City Commission
THROUGH: Michael W. Walker, City Manager
FROM: Carson K. Swinford, Director of Finance
SUBJECT: **Monthly Department Report - November 2011**

Financial Reporting

Please find attached revenue and expenditure reports for all City funds for the month of October, as well as major revenue collection reports. These reports explain budget to actual comparisons for the five months of the 2011-2012 fiscal year.

In addition, copies of management reports for the City's Water/Sewer Fund are attached. These reports reflect positive fiscal year operating results with a cumulative net income of \$2,215,777 versus \$2,121,335 for the same period last year.

Work Plan Update:

1) Revisions to the City's Debt Management Policy

The City of Brentwood adopted a debt management policy fifteen years ago to provide guidance to the City Commission and staff in the financial planning for the issuance of bonds. The conservative policies have served us well and have contributed to the City receiving the highest possible credit ratings from Moody's Investors Services and Standard and Poor's. They include policies to avoid the issuance of variable-rate debt due to the potential volatility of such instruments and maintaining a minimum fund balance in the Debt Service Fund at an amount equivalent to one (1) year's debt obligation. In reaction to problems experienced by a few Tennessee cities in 2008 engaged in complex debt transactions that they did not fully understand, such as swaps and derivatives, the State Funding Board adopted in December 2010 a model-debt management policy for use by Tennessee cities as a guide in formulating a formal policy for their communities. The debt policy should include and address the following principles: 1) understanding the transaction, 2) explaining to citizens what is being considered,

3) avoiding conflicts of interests, and 4) disclosing costs and risks. Staff will review the guidelines and recommend amendments to our current debt policy that may be needed to meet this State mandate that is effective January 1, 2012. The goal will be to maintain a policy that is concise and understandable by the general public.

Status: Provided for review and comment the week of October 24. Submitted for consideration and approval at the November 14, 2011 City Commission meeting. Approved at November 14, 2011 CC meeting.

2) **Enhancements to Vendor Payment Processing**

The City of Brentwood currently processes approximately 6,500 checks annually. The estimated cost of processing a paper check, factoring in supplies, printing and postage costs, ranges from \$1.00-\$3.00 per check. In an effort to reduce these costs, staff will research options for electronic vendor payment processing, including ACH and Virtual Purchasing Card Payments with rebates back to the City. This initiative will build upon our current system of processing employee pay checks via direct deposit rather than by paper payroll check which is also a more secure and reliable way of making payment. The research will review how other jurisdictions are transitioning to electronic payment systems and determining how the new payment program must be structured to comply with State law.

Target Date: December 31, 2011

3) **Documentation of Finance Department Activities**

The Finance Department is responsible for a wide range of financial and administrative support activities carried out by a fairly small staff. Since there is limited redundancy of responsibilities and duties among the personnel, it is more challenging for staff to assume the duties of others when there are extended absences or turnover. The staff will undertake the detailed documentation of each program and activity carried out on a daily basis by the Finance Department personnel including departmental responsibilities, processes, time schedules, contacts, resources, etc. This documentation will address, but is not be limited to, accounts payables, accounts receivables, miscellaneous cash receipting, property tax collections, business licensing, utility billing, and receptionist duties.

Target Date: March 31, 2012

4) **Electronic Account Viewing/Billing Services for Water/Sewer Customers**

The Water Services Department is in the initial stages of a multi-year upgrade of the water meter reading technology with remote electronic reading features and more sophisticated data collection capabilities on customer usage, etc. This system upgrade will also provide enhanced features via the system software that will allow customers to access their accounts to view real-time usage information. The Finance Department staff will work closely with the Water Services staff to lay the framework for future integration of this system with our billing system software to allow for enhanced online viewing of accounts and electronic billing services for our water and sewer customers.

Target Date: June 30, 2012

Other Items of Interest. Other matters in which staff members have been involved in the month of November 2011 include:

- Continued work with our auditors on preparing the City's and ECD FY 2011 CAFR

Please advise if you have any questions concerning the matters discussed herein or if you desire information on other items.
